Undergraduate Internships at Oregon State University

Oregon State University

Branching Borders

Come explore the mountains, rivers, coast, and wilderness of the Pacific Northwest as you intern at one of the top schools of Forestry in the world.

The OSU College of Forestry in Corvallis, Oregon is ranked #2 in the world and is a world leader in research and application.

In summer 2024 we are accepting a small number of **current** international students (undergraduate or Masters) to intern with our faculty for three months. You'll spend time in our state-of-the-art research labs, conduct field-work, and advance active global projects.

What's Included

- 3 month internship working directly with Forestry professors in Corvallis, Oregon

- Assistance in J-1 visa processing
- Full reimbursement for visa, flight, housing, meals, and health insurance during the program dates

- Meet and connect with leading researchers and professionals in forest management, timber production, modeling, natural resources, ecology, and renewable materials

Application Deadline

January 30th, 2024

Program Dates

June 15 - September 15*

Pending visa timeline
